

SEA SCOUT SHIP 25

July and August 2025

By Ship 25 Keanu Brennan

ACTIVITIES

This summer the Ship has been focusing on water activities on our boat! After a bit of routine maintenance early this summer, we started learning and working on pilotage; dead reckoning; general navigation; and other water based activities. We motored around the water as well as sailed.

Additionally, our new Boatswain's Mates attended National Youth Leadership Training (NYLT) this August to get a little more confidence under their belts and to bring the skills they learned back to the Ship to bolster the Ship to even greater success.

The whole Ship would also like to wish congratulations to Zoey Keagle (3rd from left) for earning Quartermaster, the highest award in Sea Scouts! She was away at college last year and was only recently able to have her ceremony.

Upcoming Events

Coming up very shortly is the Brotherhood Camporee for the Order of the Arrow weekend in Canada, and those attending are excited to go. Farther into the future we have a trip to NYC planned in early October, and another trip to Canada planned farther down the line.
